MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director (Plans)
Chief, Psychological and Paramilitary Staff

SUBJECT: Victor Lasky

REFERENCE: Memo. to IO/REACTIVE from CI/OA Division,
6 June 1957.

This memorandum is for information only.

1. Through Chief, CI/OA, the Office of Security notified IO Division on 6 June 1957 that the DCI had concurred in its recommendation that Subject be terminated from employment by AnComLib and had requested that Subject be phased out of this employment discreetly.

2. The Director of Security and Chief, IO Division have now made a special review of this case which resulted in a decision by the Director of Security not to press for Subject's removal from AnComLib. This decision was based on the conclusion that while there are factors in Subject's background, such as opportunism, which raise questions as to his suitability, they are not of such character as to constitute a security risk.

3. IO Division, accordingly, expects to advise the President of AnComLib, Howland Sargeant, that Subject may be retained in his present position.
